

Your Career Levels...

ONS AMBASSADOR

Upon completion of the 8 Certificates (7 Classes) you will be recognized as an 'ONS Ambassador' and are therefore entitled to many benefits including; A elegant Certificate signed by Trang Nguyen, 10% Discount on ONS Products, 10% Discount on all ONS Classes, An Invitation to our Annual Award Presentation Party (this is where we announce the winners of the 'Ambassador, Instructor & Educator of the Year Award', Exclusive information on new product releases, classes, competitions, industry news etc, a Badge to wear proudly displaying your 'Ambassador' status and you will also be listed on our website as an ONS Ambassador.

ONS INSTRUCTOR

The next level up from 'Ambassador' is 'ONS Instructor'. This is by special invitation by ONS Head Office to attend our Annual 'Instructor Training Event' where you will be guided through the steps to being an Instructor for ONS and deliver the first 5 Classes of the Ambassador Program. You will be required to sit an assessment at the completion of the 2 days which comprises of a Multiple Choice Quiz and Practical Assessment on 1 Hand.

As an Instructor you are therefore exposed to further benefits for product discounts and earning additional income by being able to deliver classes. You are also eligible for commission on sales.

ONS EDUCATOR

Once you have been an Instructor for a period of 2 years, less if you are an exception (dedicated, efficient, loyal, professional, etc), you may be invited to attend our Annual International Educator Training held in Korea at the start of every year. ONS Head Office proudly covers your training (2 days), accommodation, meals and airport to hotel transfers for this event for every educator nominated across the world. At the completion of this event you are presented with a beautiful Plaque and an ONS Diamond Logo uniform recognizing your status during an Award Ceremony.

As an Educator, again you will receive even further benefits including the opportunity to deliver all the classes in the Ambassador Program (with the exception of the Competition Class) and start to build your own team of Ambassadors and Instructors.
